Manta Resort

DAY-BY-DAY ITINERARY

Swahili Coast safari

By Swahili Coast standards, Manta Resort really stands out.

Step onto pure white sand beaches—among the best in the Zanzibar archipelago—and into warm azure waters. See countless species of ocean-dwelling wildlife through a scuba or snorkel mask. Sunbathe on a secluded sandbank island surrounded by gentle tradewinds. Or get active on a kayak safari, a spice farm and rainforest tour or while snorkeling for conservation.

As if it could get any better, Manta Resort created The Underwater Room for adventurous travelers. A tri-level, floating structure, with the first floor below water, it offers a Jacques Cousteau-like experience—an almost full 360 degree view of hundreds of fish swimming through the bright aquamarine water.

Completely surrounded by glass with nearly 360 degrees of fully-submerged aquatic viewing, watch a plethora of reef fish, octopi and spanish dancers swim by. The water is lit by the sun and a nighttime spotlight for a magical and adventurous feel, both day and night.

Manta Resort Initiatives

Pemba Island

Help build Seles Primary School. Manta's local village is located very far from the town schools in Chake Chake and many children simply cannot attend. A local volunteer established a classroom in the village which has in turn inspired Manta Resort and its travelers to build a complete school: Seles. Option to donate supplies or building funds.

Snorkel to protect the reef. Manta Resort's house reef, directly in front of the lodge, lies within its conservation area. Hundreds of marine species and crystal clear tropical waters make this a must see for nature lovers. Enjoy and support the health of the reef when you choose to snorkel for \$25 per person. All revenues go directly to local marine conservation area committees and wardens.

Support the Shamba (farm). Local farmers have been given land to cultivate and harvest fresh fruit, herbs and vegetables for the Manta Resort and to be sold at the local market for additional income. The farm enables Manta to employ five local farmers.

These projects are made possible and continue to flourish thanks to the Kwanani Foundation. When you stay at Manta Resort a portion of the cost of your stay provides support to the Kwanani Foundation. Thanks to you the foundation can continue its efforts in promoting sustainable practices and initiatives on the island.
