# Classic Botswana

DAY-BY-DAY ITINERARY

*Classic safari*

Nothing matches Botswana for wildlife density and pristine beauty across disparate ecosystems—so many worlds in one.

Imagine meandering the Chobe River as elephants bathe and sunset colors paint the water. Or standing on a slope deep in the grasslands as more than 500 buffalo audibly graze the plain. Imagine canoeing papyrus-lined channels in the Okavango Delta as hippos carve trails through the reeds on their way to an afternoon nap. Relish capping it all off with a lively insider tour of Maun that promises music, art, food and fun.

DAYS 1, 2 & 3

# Chobe Elephant Camp Chobe National Park

The best spot in the world to watch *Loxodonta africana* is right here. Take breakfast serenaded by trumpeting elephants and exotic birds. While boating, you may be surprised by an elephant family swimming your way. By Land Cruiser you see them feeding, playing and teaching their young. This river ecosystem is a key piece of the Botswana story—a watering spot so important that this park boasts the highest wildlife diversity in the country.

# Mums, Babies and the Future of Elephants

Mummy's Angels lends a helping hand to mums and their newborns in Maun Botswana, gateway to the Okavango Delta and its charismatic creatures.

Women should lead conservation in Africa, says Ellen Sirleaf the former president of Liberia. We agree. The survival of Africa's protected areas and wildlife is in the hands of Africa's next generation, and the next generation is in the hands of Africa's mums.

Rural women living near wildlife reserves labor as gardeners, market sellers, water carriers, fuel gatherers, cooks, shopkeepers, wives, mothers and village advisors— with little if any income.

Mummy's Angels is where small gifts make a big difference. Mums leaving Maun hospitals with newborns receive care packages packed with essentials to give their newborn a comfortable start in life. Each care package is packed with diapers, baby clothes, toys and other gifts, along with pajamas and slippers for the mum. For each item donated by travelers Kwara Camp matches the cash value of the item donated – doubling the impact. A connection is forged between travelers and host communities while lending cheer to a new start in life.

# Maun Immersive Tour

Maun is both a center of international tourism and a home for local Setswana people.

This tour around Maun is an opportunity to learn about Setswana life, experience its traditions and cultures, and hear firsthand stories about Botswanan life. Making a difference in Botswanan life by empowering local entrepreneurs and developing new ambassadors.

Learn about local customs and traditions from your local host, intermingled with their own personal experiences. Feast your senses on the sights, smells and sounds when walking through the vibrant market place. Taste some traditional dishes at a local café. Meet some Maun entrepreneurs and try your hand at the ancient practice of basket weaving, as well as hearing about the stories behind the beautiful patterns.

# Travel for Impact

BanaBa Letsati is a grass roots program that brings community members together to expand opportunities for school-age children in Maun. It's run by Travel for Impact, one of many Nongovernmental Organizations (NGOs) we partner with in Africa. Your Deeper Africa safari includes a contribution that keeps this program running and growing. This means boosting recreational opportunities, providing counseling and peer mentorship. It means extra clothes and shoes for active growing kids. BanaBa Letsati is a place to learn new skills, to get some help with schoolwork, or just relax over a shared meal.
