Zimbabwe Adventurer

DAY-BY-DAY ITINERARY

Adventurer safari

Zimbabwe is a land rich in wildlife and in this safari you can do something more than simply watch it. This is an active safari that gives you the opportunity to do walking safaris, cruise on the Zambezi by boat and sample its famous white water on a raft. You can get up close with elephants, ride a train onto the Victoria Falls bridge, enjoy traditional Zimbabwean food, and meet some of African Park's conservationists in Matusadona National Park.

Wayakurua

Welcome to Deeper Africa

Wildlife encounters, at once spontaneous and beyond imagination, result from our in-depth knowledge of seasonal wildlife migrations and patterns. Our guides possess a lifetime of African lore and all the skills of a master tracker. *It's being in the perfect place at the perfect time.*

As a worldwide team with vast experience, we provide you with exceptional personal service. We attend to every detail. We help you learn about Africa's important conservation issues. *Arrive in Africa fully prepared and ready to explore.*

We believe that local African communities must benefit and prosper from the conservation and enjoyment of Africa's wildlife. They ensure the future. Your dollars protect wildlife and wild lands, as well as support and nurture local small businesses that in turn support our safari business. *Your dollar makes change.*

Experience wondrous wildlife, enjoy local culture and discover more about the vibrant people and complicated politics unique to Africa. *We love this wild continent.*

Adventurer Safari

with Deeper Africa

FOR THE CURIOUS, ENERGETIC SAFARI TRAVELER WHO IS OPEN TO DISCOVERY

An adventure in contrast

One night finds you dining by candlelight in an exquisite lodge; another night's dinner is served by campfire at a well-staffed bush camp. One day you'll experience thrilling, whisker-close encounters with the "Big Five" by Land Cruiser. And another, you'll hike through the bush with local guides who can uncover the subtle meanings of bird songs and animal tracks.

THE DISCOVERIES ARE INFINITE FOR AN ADVENTURER.

DAYS 7, 8 & 9

Changa Safari Camp Matusadona National Park

From the river's edge to the depths of Lake Kariba—an eerily beautiful liquid landscape embracing skeletal mopane trees preserved by the waters that drowned them in the 50s, when the dam was built on the Zambezi River. This national park is run by African Parks, an NGO with a mission: to protect and improve African parklands vital to conservation and climate change mitigation. For you, this means an abundance of elephants. Pods of snorting hippos. Maybe even a crash of black rhinos—an uncommon privilege to observe. It means days of blissful immersion. And a camp that makes you very much a part of this world.

Your days in Matusadona make you a real-time, real-dollar contributor to the work of African Parks, work that keeps pristine wild spaces experience-rich and corruption free, including support for the highly trained African Parks rangers who keep parks safe for wildlife and visitors alike.

Matusadona is the first protected area in Zimbabwe to fall under the management of African Parks. A twenty year agreement has been put in place. African Parks is charged with implementing management strategies to secure the park and restore wildlife populations, to unlock its ecological, social and economic value and to enable communities in the area to derive long term benefits from the park.
